GREATER NOIDA

HOLIDAY HOME WORK (SESSION - 2022 -23)

DEAR PARENTS,

Long summer break is the most enviable part of the school life. It provides time when you get opportunity to spend quality time with your child. As the school closes for summer break we have planned some activities for your child to enhance his / her learning skills in a fun filled way.

Any child who is self-sufficient , who can tie his/her shoes, dress or undress himself/ herself , reflects in his/her joy and sense of achievement, the image of human dignity which is derived from a sense of independence”

They not only help the child gain independence, but they lay a neurological foundation for advanced skills involving coordination, concentration, abstract thinking and overall executive function. In the preliminary exercises, the child learns the basic movements of all types such as pouring, folding and carrying. With this aim, we have planned out activities during the summer vacations that can assist our little students in their overall physical and mental development.

- ❖ Brush your teeth twice a day.
- ❖ Take a bath every day.
- ❖ Wash hands properly before and after every meal.
- ❖ Learn how to zip your school bag.
- ❖ Learn how to wear shoes and socks.
- ❖ Learn how to button and unbutton the shirt
