SUMMER HOLIDAY HOMEWORK (2022-2023)

Dear Parents

Greetings!

Summer Vacation is the best time to explore and create memories and acquire new skills. To create a well-rounded holiday experience and engage our young ones in some creative work, we have put together some interesting activities which the children will enjoy doing.

We want our children to have a joyful and experiential learning.

HAPPY HOLIDAYS!

With Best Wishes

Principal

SUMMER HOLIDAY HOMEWORK (2022-2023)

MATHEMATICS

To be ready for
tomorrow's opportunities,
do your homework today.
Learn, refine your skills,
and focus on growth.

Important Instructions :-

- You will complete all the activities as instructed.
- You need to complete all the four maths activities neatly mentioned in the pdf.

Activity 1

Maths Aqua Holiday Assignment

Hey kids, you need to draw an aquatic scene comprising of 6 boats sailing on water. You can draw the boat or make paper boats and stick. There are 6 questions 1st one is done for you. Write one correct answer on one boat.

Using the given digits solve the questions that follow:

3,8,7,1,2,4

Q1 Find the largest 6-digit number that has 3 in thousands place.

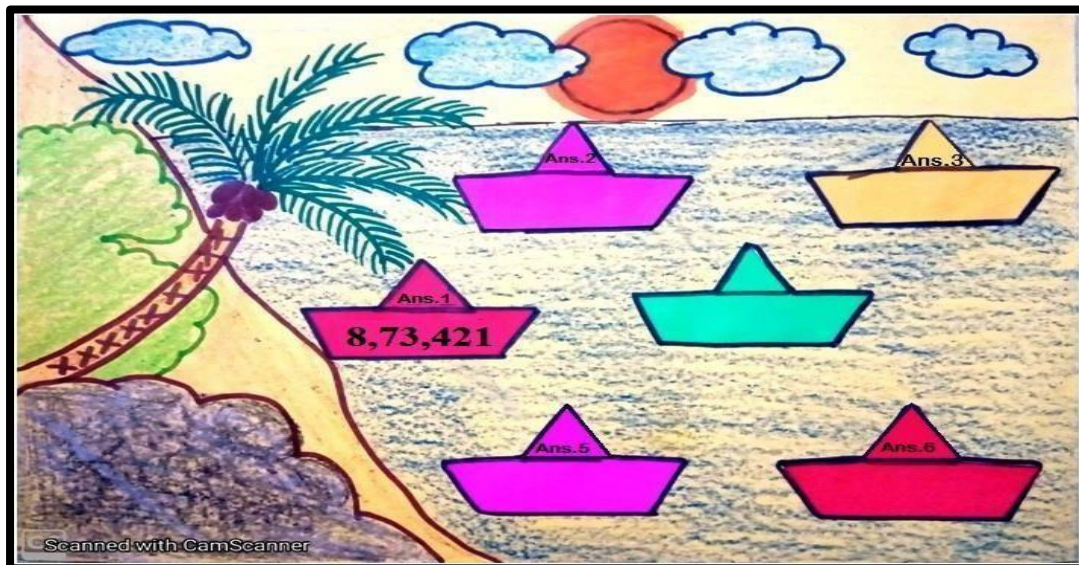

Q2 Write the smallest 6-digit number using given digits.

Q3 Find the largest 6-digit number using given digits.

Q4 Write the largest 6-digit number you can make that has 1 in the tens place.

Q5 Write the smallest 6-digit number you can make that has 3 in the ones place.

Q6 Write the smallest 6-digit number using the digits that ends with an odd number.

Few instructions

- Use A-3 size sheet. (Colour of your choice.)
- You can show your creativity in drawing the but need to show all the boats as instructed.
- Use any coloured and textured paper of your choice for the boats and stick or you may draw and colour them.
- Write only one answer on one boat.
- You need to write the correct answer number on each boat as shown in the picture.
- Write the number clearly on each boat and complete your assignment neatly.

Activity 2

I am a Sudoku player

Fill every column and row , so that they contain every digit 1 – 9 . No digit should be repeated here.

		7	5	2			6	
		2			9			8
		6	4		7			
7	6	8			5			9
	3	1				4	5	
4			3			7	8	1
			8		4	3		
1			2			8		
	5			1	3	6		

Few Instructions –

- Complete the sudoku game on an A4 size sheet.
- Decorate your activity sheet using your creative ideas.

Activity 3

Art Integrated Activity

To show population statistics of Arunachal Pradesh of the mentioned years in a tabular form on an A4 size sheet also to write them in Hindu Arabic and International system by separating periods.

Year	Population in Hindu Arabic system	Number name as in Indian system	Population in International system	Number name a Internati system
2020				
2021				

- **Activity 4**

My Bullseye Board of Values.

- Prepare a Bullseye board of yours using the idea of concentric circles.
- Using 1 fixed point as center draw and colour three circles of radius 4cm, 6cm and 10cm.
- You may also use coloured sheets for the same.
- And in each circle write or paste minimum 5 values like – honesty, gratitude etc that you will focus to inculcate in yourself this year.
- This activity to be done creatively on **cardboard**. Your Bullseye should like as shown below but with only four circles:-

You can show the values on the board once you finished colouring it.
